VI. NEW BUSINESS

VII. PUBLIC HEARING

A. Proposed minor amendment to the Copper Mountain PUD to clarify the regulations pertaining to Integrated Housing Units and clarify provisions for determination of unit mix for Affordable Housing Units, and other amendments to accomplish the foregoing. (PLN18-067/Summit County and Copper Mountain Property Owners Lessees Association (POLA) Ten Mile Basin (Planning).

Jessica Potter gave a brief background of the housing requirements at Copper as outlined in the PUD, specifically in regards to Integrated Housing Units (IHUs). She explained that the Copper Mountain Property Owners Lessees Association (POLA) currently oversees and
administers its own Rules and Regulations regarding IHUs, and it was discovered that the POLA Rules and Regulations are inconsistent with the current PUD language. The aim of the proposed minor amendment to the PUD is to standardize the language in both documents. She reviewed the proposed changes and clarifications, including, but not limited to:
- Retirement
- Disability
- Emergency Workers
- Non-Peak Season Occupancy Definition
- Peak Season Definition
- Peak Season Occupancy Definition
- Primary Residence Requirement

Commissioner Davidson inquired if the same changes would be made to the POLA document as were being made to the PUD document. Ms. Potter affirmed that POLA was involved in discussing all the changes and would approve the same revisions in their document; she added that the POLA document is co-signed by the BOCC and would appear on a Consent Agenda for approval at a later date.

Jim Reis, President of the POLA Board, affirmed POLA’s support of and intention to approve the proposed changes in their Rules and Regulations.

Staff recommended approval of the proposed resolution including the 7 findings and 1 condition as listed in the staff report.

Commissioner Davidson inquired regarding the leasing process for IHUs specifically in regards to a wait list or priority system. Staff responded that since all the IHUs are privately owned, there is no centralized wait list or leasing process; each owner handles leasing independently and since units are in high demand they are quickly claimed.

Commissioner Davidson opened the hearing for public comment.

Jim Ryan inquired regarding language in the proposed changes that stated an occupant “may be grandfathered as exempt in the sole discretion of POLA and/or the Copper Mountain Resort Association and the County,” and suggested using the language “shall be grandfathered” to avoid any ambiguity.

Keely Ambrose discussed the proposed revision to the section on grandfathering, agreed that it could be changed, and stated the revised language would need to reference both the PUD and the POLA Rules and Regulations.

Commissioner Davidson suggested a recess for Staff and members of POLA to finalize the proposed language revision.

A brief recess was taken at 2:12 p.m.

The meeting resumed at 2:19 p.m.
Ms. Ambrose presented the proposed revision to Section 2.6.E.ii.f.i of the PUD as agreed upon by Staff and POLA members.

Commissioners thanked staff for their diligent work on the details of these regulations and stated their support for eliminating inconsistencies in the documents.

MOTION: A motion was made by Commissioner Stiegelmeier and seconded by Commissioner Davidson to approve Resolution 2019-06, a minor amendment to the Copper Mountain PUD to clarify the regulations pertaining to Integrated Housing Units and clarify provisions for determination of unit mix for Affordable Housing Units, and other amendments to accomplish the foregoing. (PLN18-067/Summit County and Copper Mountain Property Owners Lessees Association (POLA) Ten Mile Basin (Planning) including the 7 findings and 1 condition as listed in the staff report and the additional modification as presented at the hearing.
