This map identifies the locations of existing and potential affordable workforce housing sites in the unincorporated areas of the Snake River Basin, and does not identify existing or proposed affordable workforce housing sites located within the Towns of Dillon or Montezuma.

1. This map identifies the locations of existing and potential affordable workforce housing sites in the unincorporated areas of the Snake River Basin, and does not identify existing or proposed affordable workforce housing sites located within the Towns of Dillon or Montezuma.

2. General guidelines for development of each property or location identified as a “Potential Affordable Workforce Housing Site” are contained in the Affordable Workforce Housing Element of this Plan.

3. “Existing Affordable Workforce Housing and Employee Housing Sites” identify either an individual deed-restricted lot (i.e., single family or duplex lot), or a property that contains one or more deed-restricted affordable workforce or employee housing units (i.e., properties containing deed-restricted townhome or condominium units). For more detailed information on the type and number of such units, refer to the Affordable Workforce Housing Element of this Plan.
