** Cottage Food- In 2012 the Colorado Cottage Foods Act was passed (SB12-048). The act allows for the direct sale of certain foods (cupcakes, eggs, pickled items) prepared in a private home without a retail food license. Cottage food vendors can only sell certain foods, products must have specific labeling and the operator must demonstrate formal food safety training. No fee is charged so long as vendor meets these criteria. Application process verifies vendor has met criteria and provides an opportunity to interact with vendors and offer additional education if welcomed.
