June 30, 2010

Reference: Preliminary PUD Application

Dear Robert,

We are formally applying for a development review application, more specifically for a preliminary zoning amendment of a public facility. The amendment consists of rezoning the Farmers Korner Wastewater Treatment Plant property from it's current A-1 designation to a Planned Unit Development (PUD). This is being done at the request of Summit County Planning to satisfy one of the conditions of approval for the North Plant Expansion project that's on the referenced property.

Regards,

Andrew Carlberg
District Manager
Upper Blue Sanitation District
