Re: *Spring Creek Ranchers Association Green Mountain
Water Service Contract No. 1-07-60-W0689*

Dear Terry:

Enclosed please find the completed Contractor's Information form for Spring Creek Ranchers Association regarding the above-referenced contract for water service from Green Mountain Reservoir for the contract year beginning July 1, 2004, and ending June 30, 2005. Releases of water from Green Mountain Reservoir are used by the Association to replace out of priority depletions resulting from the Association's exercise of its junior groundwater right under the augmentation plan that is the subject of a Ruling entered in Case No. 93CW213, Water Division No. 5. The volume of water to be released from Green Mountain Reservoir on a monthly basis is set forth on the enclosed form under the column identified as "Amount of Water Used." The maximum rate at which water may be diverted under the Association's junior water right is 100 gpm, as shown in the column identified as "Diversion Rates."

Please call if you have any questions or concerns.

Sincerely,

CALOIA, HOUPPT & HAMILTON, P.C.
