

# UPPER BLUE SANITATION DISTRICT

March 15, 2010

To Whom It May Concern:

Mr. Forrest Rouser has made his intentions clear about work that he would like to do on his property at 281 Fairview Blvd.

In order to gain the Districts approval, Mr. Rouser will have to submit to me the proposed and current plans on 8 ½ x 11 ½ paper and pay the appropriate amount due for .7 of a PIF, which equals \$7,497.00.

If there are any questions, please do not hesitate to contact me.

Sincerely,

Meg Ticknor

Administrative Clerk
